**An application for registration of a Belgian over the age of 48 months will be considered for registration if the following criteria are met:** The horse on the application for registration meets all of the requirements of the rules of eligibility as listed in the constitution of the Canadian Belgian Horse Association. Parentage verification by DNA typing of sire, dam and horse which the application for registration applies to. The laboratory fees and all relating DNA expenses are the responsibility of the person making the application for registration. Charges are \$140.00 for registration, plus DNA & JEB applicable fees.

**Note: Non-Member rates are double the standard fee**

**Fees are required with each workorder and can be paid by cheque, VISA, MasterCard, or money order payable to:**
