Hi my name is Kacee Gee. I love to drive cart and team. I also do showmanship and decorating. I help my dad roll at horse shows. One day I decided to throw a saddle on a mare of ours, she was fine. So I was brave and got on and rode her. I got her going at a trot and walk and she went good then I decided let's try a lope she got better after a few rides. Then we went in fairs and did well. Then I trained her on barrels. I love heavies I hope I get to show my own six horse hitch.
