

Canadian Belgian *Youth* Program

Champion Junior Category - Central Division
Noah Van Winden, Ingersoll Ontario

Hi. My name is Noah Van Winden. My parents currently own a small herd of Belgian horses. We have owned and shown horses for ten years. Currently, I am deeply involved with my uncle's hitch, "Highland View", that competes both sides of the American/Canadian border. In addition to my regular chores and practise at home, while showing with my uncle I have worked very hard at improving my driving and showmanship skills. This year I won the honour of being named first in Ontario for showmanship for youth ages thirteen and under. I loved being involved with the draft breed and meeting new people at every show. It is my dream to become the driver of a big hitch or have my own hitch, one day.
