

# Canadian Belgian *Youth* Program

**Champion Senior Category - Central Division**  
**Stephanie Angielczyk, Pickering Ontario**

Since I was introduced to draft horses 4 years ago, I was immediately drawn to the Belgian breed. This past year, with the Gilles Choice team, I was given the opportunity to show a Belgian horse in the senior showmanship class. I have also learned how to harness and drive a show cart. Going to all of the fairs and OBHA events has allowed me to get to know a lot of the Belgian breeders, barns and show people. This past show season, I have mentored a junior show person in hopes of spreading my enthusiasm and continuing the participation of other youths in showing draft horses. Next year, I plan to audition for Belgian Ambassador so I can continue to represent the Belgian breed the best way I can. I have learned so much this year and I am really looking forward to next show season.
