

Canadian Belgian *Youth* Program

Reserve Champion Senior Category - Western Division
Shaun Hunter Hamiota Manitoba born December 24, 1994

My name is Shaun Hunter and I am 16 years old. My involvement with Belgian horses dates all the way back to when I was five. My family got our first Belgian horses in 2000. I was very excited to start playing with these gigantic animals. When I got confident enough around our horses I started showing them at fairs. We traveled around to the fairs in our area and we go to the same ones every year. I have become a very good showman over the years, and have even driven our four-horse hitch at some of the shows for the past three summers.
