

# Canadian Belgian *Youth* Program

**Honorable Mention** Junior Category - Central Division

**Megan Levesque** Wyoming Ontario born November 6, 2001

I got involved in Belgians last year when we watched our neighbours showing at the fairs. This year I showed at 5 fairs. I showed in Junior Showmanship and my horse's name is Sara. At the first show Sara tried to eat the whole time. It was hard to make her stand still. We improved each show and practiced a lot. By our fourth show we won the class! Sara was great that day, even though it was really cold out. I was really happy at the last fair because there were eight entries and I won second place! I enjoy getting all the horses ready to show and getting them brushed and cleaned up. In 2012 I plan to continue to practise and show. Hopefully I will get to try Junior Driver!
