

Canadian Belgian *Youth* Program

Champion Senior Category - Central Division

Leighanne Swance, Salford, Ontario born July 11, 1992

My name is Leighanne Swance. I am 19 years old. I have been involved with Belgian draft horses for roughly six years. In these six years, I have been fortunate enough to have been given the opportunity to work with these animals on halter and in harness. I also had the pleasure of being the 2010 Ontario Belgian Horse Ambassador. This past year is my last year in showmanship. But none the less I will be in the show ring next year. I bought my first horse, that being a Belgian foal. Next year I plan on showing him in the OBHA yearling stallion program. I am so excited for my adventure to start. See you in the show ring!
