Champion Junior Category - Central Division
Noah Van Winden, Ingersoll Ontario

Hi, My name is Noah Van Winden, I grew up on a Belgian horse farm from the time I was 4. My family and I, just recently moved back to the city. Although I am now a “city person” I am still deeply involved with the Draft Horse Industry. I travel to shows with my uncle Keith Garner’s hitch of Belgian mares “Highland View”. this year in Showmanship at the CNE, I was awarded “Grand Champion Showman”. I have learned to wash, prepare, drive and show a draft horse. My family and I have been showing for 10 years and I can still remember showing in my first showmanship class at Melbourne fair with our old mare “Kate”. This year I was able to drive a four horse hitch for the first time! I LOVE showing draft horses and dream of having my own hitch one day.
