Hello, my name is Aidan Dennis. I am 10 years old. My family and my grandparents live on farms near Markdale Ontario. We have raised and showed Belgian horses for years, even before I was born. This was my first year of showing a Belgian. her name is Marden Meadow Willy's Jewel. She is a gem or a "Jewel" to work with. She watches out for me. She must have an instinct that I am a beginner. After I am awarded my ribbon at a fair. I proudly display it, clipped to my shirt pocket for the rest of the day. I enjoy watching the senior showmanship, to help me improve my skills for next year. I can't wait till the first fair of the season, where I can get back in the show ring again, and try to go after that red ribbon.. *Aidan Dennis*
