

Canadian Belgian *Youth* Program

2012 Champion Senior Category - Central Division

Noah Van Winden, Woodstock, Ontario born December 9, 1997

Hi, my name is Noah Van Winden, I grew up on a small horse farm from the time I was four. Although my family has recently moved into the city, I am still deeply involved in the world of Farming and Agriculture. I keep myself busy milking cows for a local dairy farmer, and feeding beef cows every night of the week. Outside of that, I attend horse shows on both sides of the Canada-US border with my uncle Keith Garner's Hitch of Belgian mares, "Highland View". This year I had the privilege of driving the Four of Mares at various shows and took the red ribbon every time. I can still remember that day many years ago in my first showmanship class at Melbourne fair with one of my parents mares "Kate". This year in showmanship at the CNE I was awarded the title of "Grand Champion Showman". I look forward to having another great show season next year and some day either having my own six horse hitch or have the privilege to driving for someone *Noah Van Winden*
