

# Canadian Belgian *Youth* Program

2012 Champion Senior Category - Eastern Division

**Emilie Provost**, Calixa-Lavallee Quebec born October 07, 1994

Like all other show seasons this one was no exception! The class were not easy, the competition was tough but with the time I spend working and training my horses i managed to step up and go for the red ribbon a few times! Getting up most morning of the week to train, feed and wash is not an easy thing when you are 17 and your friends calls you to party but with my dedication I preferred to keep my energy to wake up and go train my fellow friends the Belgians. I had a great show season and I hope to see you all next year!!! *Emilie Provost*
