 will go to
Julie Baker.

My name is Julie Baker I am 16 years old and from Alberton, Ontario. This year I am very proud and honoured to represent the Ontario Belgian Horse Association as Ambassador. I have met many wonderful fair people and exhibitors while pinning ribbons at shows and it is always a thrill to take the victory lap on a winning six horse hitch! My family has raised Belgians since the early 1970's and Richard and Laurel Sowden of Port Dover, Ontario have been fantastic in letting me show their line horses and drive team and also cart. It is so rewarding to drive a horse in harness that you had shown as a weanling. My other equine passion is barrel racing on my quarter horse Rocket. I hope to attend the University of Guelph for agriculture in the future and continuing to promote the Belgian Breed.
