Hi my name is Aidan Dennis. My grandparents Keith and Marg Dennis live on a farm close to our farm. I have been around horses all my life. I started showing horses 3 years ago. This year I started showing a stud foal named Tommy, he was very unpredictable, and got away from me twice. We decided to use a 3 year old filly named Taffie. She was really good for a few fairs, but then she got to be too strong for me, so we decided that it would be a good idea to use another mare that we were showing and her name was Marilyn. We got along great. Then came time for the Royal Winter Fair in Toronto, and my dad went to show Marilyn in her class and she lost a shoe right in the ring! Well, that was the end of her show season. The only horse we had other than Marilyn was a stud foal named Gold Dust. I had never showed him before, but I had no choice. Guess what? I won the class!! I was so surprised! He was great! It was an interesting show season, but a lot of fun too. I can't wait for next year. *Aidan*
