My name is Noah Lindquist and this was my second full year in Jr. Showmanship. I am a fourth generation Belgian breeder and owner, and I showed my brood mare and foal with my sister this year. I really enjoy showing horses, learning new things from them and meeting new friends. Thank-you to Orville Beggs for letting me show Ruby this year. My next goal is to learn to drive horses for Peak & Valley Farm! I also entered my first Jr. Judging competition this year and finished in first place. I'm already looking forward to next show season!
