Hello. My name is Arden and I have been around Belgian horses my whole life. I showed for 2 years and then I had an incident with a horse and I was frightened to show again. This year I faced my fear and showed our yearling Southridge Navan Rosa at our last two shows. I am really proud of myself for doing that. I helped Dave Zister where I could, which was to clean harness for his hitch. It's a start! When I'm older I hope to help more and my ultimate goal is to drive in the junior cart class. Next year I plan to show again and go for a red ribbon!
