Hi, my name is Clayton McWilliams. I enjoy working on my family's farm where we raise Belgian horses. I help feed and scrape up after our 30 horses. My favourite parts of the year are spring and summer. I like spring because that's when all of our foals are born and summer because it's show season. Throughout the summer I enjoyed raising and training my Belgian colt "Southridge Navan Bishop", the biggest difficulty I had to overcome, was for him to realize that I was the boss and he couldn't do what he wanted. I think he turned out to be a great weanling colt. I can't wait for our crop of foals next year. I also enjoyed helping Zister Belgians with their gelding hitch. I look forward to another show year and hope to drive in a junior cart class. *Clayton McWilliams*
