My grandpa lives near FireFly Hill Belgians. This summer I got to help there showing a two-year-old filly and a colt named Fairbairn after Grandpa.

Grandpa had an accident and was in intensive care. Mom picked me up at Firefly Hill. The family had been called to the hospital. I was scared Grandpa would die. Miraculously he didn't and he and Grandma came to all my shows with Mom. I was really happy they were there to see me win my first red ribbon with Fairbairn.

Before the Royal, I broke my ankle but got to show in my cast!
