2014 **Honourable Mention**, Sr Central **Clayton McWilliams**, Navan, ON

Hi, my name is Clayton McWilliams. This year I had a great time training our foals to be ready for the show season on our farm of Belgians. Some of them were more difficult than others, but in my opinion they all turned out great. Although she didn't go to many shows, Southridge Navan Bea is my favourite foal of the year. This show season I am proud to say that I got to participate in 2 Jr. Cart classes. I would like to thank my parents and Grandparents for getting me involved in the Belgian horse industry. I would also like to thank Dave and Erika Zister from Peak and Valley Farm for letting me help them out with their six horse hitch of Belgian Geldings. I would also like to thank the Zister's for providing me a horse to participate in the Jr. Cart classes and some of my Sr. Showmanship classes. I'm already looking forward to next year's show season!
