

Canadian Belgian *Youth* Program

2014 **Honourable Mention, Jr - Central**
Area **Arden McWilliams**, Navan, ON

Hi, my name is Arden, and I've worked with Belgian horses my whole life. I'm very glad that I got to show our stud colt Southridge Navan Ronnie in my showmanship classes this season, and I was very proud when we placed second at Carp Fair. I learned a lot about hitching when I helped Dave Zister when I could this season; by cleaning the harness the gueldings wear. I also cheered him on when he was in the ring. When I'm older I hope to help with more, and my ultimate goal is to drive in the junior cart class. Next year I plan to show again, and I'm excited for another thrilling show season.
