

Canadian Belgian *Youth* Program

Honourable Mention, Junior Central Area
Aidan Dennis, Markdale, Ontario

Hello, my name is Aidan Dennis from Markdale, Ontario. I was very proud to participate in the Junior Showmanship division this year. Unfortunately, several of the fairs that we planned to attend were rained out and cancelled. What a wet show season in Ontario! My favourite Belgian horse is a two year old mare named Marden Meadows Marilyn. She is a true gentle giant, always willing and forgiving. We learn together! Our horses are stabled at my Grandparents farm just down the road. I assist with halter breaking the foals and I am handy at feeding time, but I especially like entertaining the guests with our family wagon ride business. I am looking forward to the 2015 show season to attend more shows and meet new friends.
