

Canadian Belgian *Youth* Program

2014 **Champion**, Junior - West Area
Aaron Westlund, Lethbridge, AB

I live three hours away from my Grandparents farm (Krebsie's Belgians), so when I am able to I come out to work with their Belgians. For my birthday last year, I got a mane rolling dummy so I could practice rolling at home. During the summer I stayed with my Nana and Papa so that I could help them unload and reload the truck between shows and so that I could practice. I love to come to the farm in the spring to see the new foals and to do chores in the barn.

I really enjoy the time that I get to spend with my Nana and Papa and their Belgians.

I got to show Liza and Crosby this summer, showing Belgians is really fun!
