

2015 **Champion (tied)**, Junior Central Division
Arden McWilliams, Navan, ON

Hi, my name is Arden, and I've taken pride in showing and caring for our Belgian horses my whole life. I'm very glad that I got to show my Grandpa's yeld mare Ruby in my showmanship classes this season, and I was very proud when I placed first and second at most fairs. I learned a lot about hitching when I helped Dave Zister and Manuel Tavares this season by cleaning the harness, and proudly becoming the official Dominion Farms shovel expert. When I'm older I hope to help with more, and my goal is to drive in the junior cart class. Next year I plan to show again, and I'm excited for another thrilling season with more new foals to train.
