

2015 **HONOURABLE MENTION**, Junior Central Division
James Drynan, Mountain Ontario

Hi. My name is James Drynan and I live in Mountain, Ontario. I'm 13 years old and I love to show horses, I can never wait for the show season to start! The thing I love the most is when my family has foals. The reason I love having foals is that they're cute and I can play with them. That is why I chose a picture of me and one of our new born foals. This year I showed at 4 fairs Navan Fair, Renfrew Fair, Carp Fair, and Norfolk County Fair. This year I showed 3 different horses, Maple Ridge Jaguar, Maple Ridge Elizabeth, and Maple Ridge Jessica. My favourite horse to show was Maple Ridge Elizabeth because she is big, and showing big horses is more of a challenge, also because I have never had the chance to show her before. The reason I didn't show Jaguar that day was so that my sister could use him. I showed Maple Ridge Jaguar at Navan Fair and Renfrew Fair, at Carp Fair I showed Maple Ridge Elizabeth, and at my last show, Norfolk County Fair, I showed Maple Ridge Jessica. I wish I could have shown at more than 4 fairs. Next year I hope I go to more fairs.
