

2015 **CHAMPION**, Senior Western Division
Mikayla Flint, Paradise Valley AB

This past summer I was given the opportunity to show a yearling filly that is owned by Albert, Emma, Pauline, and Nichole Duhaim. They asked me to take this filly to some shows and show her. This was an opportunity of a life time and cannot explain how amazing it was. I learned many new things about the draft horse industry and met some new people. The filly had such a nice temperament, and loved being in the show ring. As well as she also did very well in the show ring with winning Champion Belgian Mare at the Calgary Stampede. This filly was such a pleasure to work with and can't wait to see where she goes in the future. Thanks again to the Duhaimes!
