Aaron Westlund, Lethbridge, AB.

Hi, my name is Aaron Westlund. I love showing my Nana and Papa's belgians. When I am not showing belgians, you can find me fishing or playing hockey. This year I was able to participate in the 4-H program and used my yearling Krebsie's Spring Lillee. Unfortunately I was not able to drive a belgian in cart this summer because my Papa broke his arm. I am very thankful that I was able to borrow a Percheron from the Mark Messenger Memorial Hitch, so that I was able to drive cart at both shows that we showed at.
